ATTENDANCE RECORD

Activity:

Date:

A.G.S.H.V. DISCLAIMER

Many of our activities involve some risk, eg: bushwalking, rock climbing, unmade tracks, fossicking, exploring old mine sites, easy and difficult walking, camping and various other activities in our programming that need to be undertaken with due care.

The Society, Executive Officers and those members leading these programs will, to their best ability, exercise due care in ensuring that activities are undertaken safely, but do NOT accept any responsibility for loss of items or of any injury suffered by any Member or invited Guests when undertaking any of these Programs. This also includes damage or loss, of any clothing, or any equipment carried or brought on these programs. The Leader on the day reserves the right to decide whether the activity is to proceed if he or she considers it unsafe or there is a safety risk.

Members and Visitors alike must be prepared to accept responsibility for their own actions when participating in any of the Society's activities.

When you sign the Attendance Record, you have acknowledged your acceptance of the above.
