### **Code of Ethics.**

- (a) I shall uphold the reputation of the Society and shall not use its name for any unethical activity.
- (b) I shall not act as a spokesperson for the Society without the consent of the Executive.
- (c) I shall endeavour to assist and encourage new members.
- (d) I shall uphold the Society's principle of conservation. Native flora and fauna shall not be disturbed or removed. Desecration of geological formations and the environment is discouraged.
